

# NanoMed 2010

## 7th International Workshop on Biomedical Applications of Nanotechnology

### Abstract Guidelines

Please notice the following instructions for submitting your abstracts.

**Language:** English

**File format:** Microsoft Word or RTF (Rich Text Format), images in jpeg or gif.

**Font:** Times New Roman, 10pt. If additional non standard fonts are necessary, please don't forget to attach them.

**Header:** All abstracts must include a header with:

- Title
- list of authors' names (use initials for first and middle names)
- affiliations
- Correspondence address

**Abstracts** should be divided in three parts: the header a **short abstract**, which should not exceed 500 characters (excluding blanks) and an **extended abstract** with a maximum of 4000 characters (excluding blanks) and a maximum of three figures.

Avoid acronyms. Spell out abbreviations the first time you use them. If you use references, provide the journal, volume, year and page numbers.

Please submit your abstract **not later than November 1st, 2010** online using our conference management tool at <http://nm10.nanoevents.de/register.html> or by email to [nanomed@nanoevents.de](mailto:nanomed@nanoevents.de).

All submitted abstracts will be compiled for making them available to all participants during the meeting.

In case of any questions please do not hesitate to contact the organizing secretariat!
